Per our sub-contractor agreement, Carriers are not paid until we are able to invoice (which in most cases is 30 days from when we receive your proof of delivery and invoice). However, we do have a quick pay option which means that your check will go out within five business days of the receipt of your proof of delivery and invoice at a 5% discount. Please select the terms from the options below that will suit your situation best, sign the form and fax it back to us.

All payments are made by check. WE DO NOT DO COMCHECKS. Five-day invoices are processed within five business days and mailed via standard mail, and requests for express delivery are accepted with the understanding that the amount of express postage will be deducted from the final payment.

**If units are delivered STI or if our MAGNUS app is not used quick pay option is not available.**

**WE MUST RECEIVE A SEPARATE TERMS OF PAYMENT FORM WITH EACH LOAD YOU HAUL IN ADDITION TO YOUR INVOICE.**

All five-day quick pays are paid only if the delivery was made in a reasonable time frame and the vehicle is free of any transport damage and all terms and conditions were met.

**PLEASE CHECK WITH PAYMENT OPTION YOU WOULD PREFER:**

- I choose to receive payment via standard terms (about 30 days from the time I submit my completed delivery paperwork and invoice) via standard mail.
- I choose for my payment to be sent out within five business days from the time I submit my completed delivery paperwork and invoice for a five percent discount off the price of the submitted invoice via STANDARD MAIL
- I choose for my payment to be sent out within five business days from the time I submit my completed delivery paperwork and invoice for a five percent discount off the price of the submitted invoice via FEDERAL EXPRESS STANDARD NEXT DAY. There will be an extra charge of \$20.00 for this option.
